

I am a loyal Satellite listener And a Voter I am very happy with my choice to pay and listen to a radio that I enjoy and control what I want to listen too with the wide verity of channels they offer I am a driver by profession and like to have the instant traffic and weather when i need too please as a voter and someone who pays for a service that can offer a wide verity of listing enjoyment do not side with the National Association of Broadcasters in the matter of petition 04-160 and let the voters and the people who spend their hard earned money deiced what they want to listen too

Thank You

John H McCoy
